To: TRTP Project Email

Subject: TRTP

To Whom It May Concern:

I have reviewed the Notice of Preparation (NOP) for the Tehachapi Renewable Transmission Project. Per the information provided in the NOP, the San Bernardino County Department of Public Works does not have any comments on the project at this time.

However, our Department would appreciate receiving a copy of the EIR/EIS document and any technical reports as they become available. We would prefer the documents on a CD format so that we may do a more thorough review of the project and its possible impacts to existing or future Flood Control District facilities or County roads.

Sincerely,

FRANK MOLINA, Supervising Planner
Environmental Management Division
San Bernardino County Department of Public Works
